

REMARKS

This amendment is filed under 37 CFR 1.312, following the allowance of the present application. Claims 12-33 are canceled to streamline the scope of protection provided by the patent that will issue from this application.

Since this amendment merely is one of form, adds no new matter and raises no new issues, the entry of this amendment is respectfully solicited. See MPEP section 714.16.

Respectfully submitted,

FROMMER LAWRENCE & HAUG, LLP
